Sir:

REPLY UNDER 37 C.F.R. § 1.114

The Applicants believe that no extension of time fee is required with this REQUEST FOR CONTINUED EXAMINATION. In response to the Office Action dated June 1, 2007, the Applicants filed an REPLY UNDER 37 C.F.R. § 1.116 on July 18, 2007. The Applicants therefore responded to the Office Action within two months of the mailing date of the Office Action.

According to the Office Action and pursuant to MPEP § 706.07(f), the shortened statutory period for replying to the Office Action expires three months from the date of the final rejection or on the mailing date of an Advisory Action, whichever is later. As of this time, the Applicants do not believe that any Advisory Action has been mailed. Because no Advisory Action has been mailed, the

shortened statutory period for replying to the Office Action has not yet expired, and no extension of time fee is due. However, in the event that an Advisory Action has recently been mailed, only a one (1) month extension of time would be required with this REQUEST FOR CONTINUED EXAMINATION, and the Commissioner is hereby authorized to charge the required extension of time fee to Deposit Account No. 50-0208.

Please reconsider the application in light of the following amendments.
